January 27, 2025

Dear patient and family,

I am writing to let you know that I have accepted a position at UTMB and that my last day with Houston Area Pediatric Neurology will be on 2/28/2024. If you would like to stay in my care, please contact UTMB to schedule a follow-up:

UTMB Bay Colony Clinic
2785 Gulf Fwy South, 2nd floor
League City, TX 77573
Phone: 409-772-3695

If you would like to stay with Houston Area Pediatric Neurology, Dr. Ashlea Feezel is available to see your child in the Katy office as well as via telemedicine appointments.

Dr. Ashlea Feezel attended The University of Texas at Austin where she earned a B.B.A. in Finance. After graduation, her career in business brought her to Houston, but it was through her volunteer work at a local children's hospital that she discovered her true passion for medicine. She returned home for medical school at University of North Texas Health Science Center at Fort Worth. Dr. Feezel went on to complete her residencies in Pediatrics and Child Neurology at UT Houston (Children's Memorial Hermann Hospital, MD Anderson and Lyndon B. Johnson County Hospital). Additionally, throughout her final year of training, Dr. Feezel completed the Lonestar LEND fellowship in Leadership Education in autism and Neurodevelopmental Disabilities to better serve and advocate for her patients in all aspects of their lives. Dr. Feezel treats a diverse range of neurological conditions including developmental delay, ADHD, cerebral palsy, genetic conditions, headache, seizures, epilepsy, autism, movement disorders and tics. Dr. Feezel has been practicing at Houston Area Pediatric Neurology since 2023.

I appreciate the opportunity that you have given me to serve as your physician.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. Lupo', written in a cursive style.
